Thank you Maria.

I also have a question for you. On our call yesterday, someone from the EPA brought up the question of how we would make sure our messages were in alignment as we go forward. Was that you? We'll soon be releasing our next GenX risk assessment outreach statement and wondered who would be a good EPA contact to coordinate with.

Thanks again,  
Amy

Hi Mina and Amy,

I mentioned yesterday that I would let you know when we would get you a statement on the POD we are using. We should have something to you tomorrow.

Thanks,
